

How to Apply for the Community Peacebuilding License Plate

- 1) Go to the VACCR website at <http://www.vaccr.org/peaceplate.htm>
- 2) On the VACCR website, click on the link for the application form (PDF file). The application form is also available on the DMV website: <http://www.dmv.state.va.us/webdoc/pdf/vsa61.pdf> If you do not have access to the internet, call or write to the Conflict Resolution Center to request a Special Revenue Sharing Series application form. Our phone number is (540)-342-2063 x 300 and our address is: VACCR Peace Plate, c/o Conflict Resolution Center, P.O. Box 1185, Roanoke, VA 24006.
- 3) On the application form, check the box marked "Other" and write "Community Peacebuilding" on the line next to this box. (It could already be written there.)
- 4) Fill out all information and make sure to sign the application in the two places requested (once after your car information and again at the bottom of the form).
- 5) If you are ordering a personalized ("vanity") plate (up to 6 letters and spaces), please send a \$35.00 check or money order made out to VACCR. If you would like a regular license plate, send a \$25.00 check or money order made out to VACCR. Send both your completed, signed application and this check to VACCR, c/o Conflict Resolution Center, P.O. Box 1185, Roanoke, VA, 24006. Please do not try to pay with a credit card. We cannot accept credit card payments.

Right now you're just ordering your plate, so do not send us any registration forms or fees – just the plate ordering fee. Disregard the information about prorated and other registration fees that you see on the application form. All we need from you at this time is either a \$25 or \$35 check for the plate fee. You will pay a registration fee only when it is time to receive your new plate. Thank you for your interest and for helping us to meet our 350 person application goal as soon as possible.
