

# VIRGINIA ASSOCIATION FOR COMMUNITY CONFLICT RESOLUTION

## MEMBERSHIP APPLICATION

**Instructions:** VACCR has established qualifications for membership. These are listed below in the form of 13 questions for applicants to answer. The qualifications are designed to encourage the development of centers throughout Virginia that provide conflict resolution services and are community based. For most of the questions, there is no one “right” answer that we are looking for. Rather we are looking for thoughtful answers that most accurately describe your organization and how it meets or plans to meet VACCR goals and values. Here are the application steps:

- Designate one person from your organization to be the application contact for VACCR;
- Complete this form and indicate your contact person’s name and contact information in the spaces below;
- Send your first draft and any questions to VACCR by email at [membership@vaccr.org](mailto:membership@vaccr.org);
- Someone from the VACCR Membership Committee will contact you to discuss your application, answer any questions, etc. so that you can complete a final draft;
- Once your application is finalized with the Membership Committee, the Committee will bring it before the VACCR Board where it will be reviewed and a site visit authorized;
- Once a site visit has been completed, the Membership Committee will present it’s findings and your completed application to the full VACCR Board for a vote. Every organization that meets the requirements will be admitted to full membership.
